### **Contract Manufacturing**

- *Electromechanical Assemblies*
- *Mechanical Assemblies*
- *Assembly Kits*
- *Wire Harnesses*
- *Cable Looms*

**Repro Parts, Inc.** is one of the Midwest's leading ISO 9001:2000 and ISO/TS 16949:2002 registered contract manufacturers, specializing in custom made-to-print products, ranging from simple components to complex assemblies.

We serve many industries, providing a broad spectrum of wire processes, custom wire harnesses, cable looms, component assembly services and more.

Manufacturing, inspection, testing and value-added services are performed on-site to optimize control over processes, quality and lead times.

We are proud of our historical quality and delivery performance ratings with our customers, including GM, Delphi, TRW and more.

We offer competitive pricing and our experienced professional staff can provide personalized attention to your application.

Our policy is to meet or exceed our customers' expectations.

We are committed to supplying our customers with high quality products the first time, on time, every time.

We are committed to comply with requirements and continually improve the effectiveness of our Quality Management System.

**Markets:**

- Automotive
- Electrical Equipment
- Lighting Equipment
- Medical
- OEM
- Service Parts
- Transportation

**Capabilities:**

**WIRE PROCESSING**

- 30 through 8 AWG
- 30 - 10,000mm length.
- Individual wires pre-cut, stripped, twisted, tinned, terminated.
- Wire harness assemblies with or without terminals, connectors.
- Cable loom assemblies with or without terminals, connectors.
- Wire and cable management.

**ASSEMBLY SERVICES**

- Electromechanical
- Mechanical
- Kits
- Retrofits / Modifications
- Turnkey or Labor only

**Core and Value-Added Services:**

- Automatic Komax and Artos wire process machines
- Wire bonding
- Applicators for Tyco/AMP, Molex, Packard and other popular terminals
- Automatic stamping presses up to 100 ton capacity
- Automatic spring coilers
- Ultrasonic welding of plastics, non-ferrous metals
- Overmolding
- Pad printing
- Micro-Vu inspection and I-B-M electronic test equipment
